[REDACTED] O/SI
[REDACTED] O/SI - Secretary

1. The minutes were approved with the following changes to paragraph 5: the last sentence to follow the second sentence for proper interpretation.

2. A draft report on an evaluation of RSB/SR/OCR activities was submitted by the secretary. A discussion followed on a rework of this report which will be presented at the next IOTAC meeting.

3. No action was taken on the recommendations on the OSI Conference until the DDP representative could participate.

4. [REDACTED] informed the committee that as a result of a recent conference, certain special information not previously available to the committee would now become available to RSB/SR.

5. [REDACTED] reported that requirements for Project [REDACTED] were being reviewed by NIFC and by the NSA Elint Requirements Officer. CIA is assisting as requested by the above agencies since the original requirements were jointly coordinated. [REDACTED] cited the Agency's interest in the project since there is a continuing requirement on the possible sophisticated use of [REDACTED]
